

4.5 Free Flow

Policy statement

We believe that free flow play offers children a choice of environments for varied, stimulating learning experiences.

Procedures

- The doors leading out to the garden will be opened after registration approximately 9.30am
- Free flow will be in operation at all times except lunch times and in extreme weather conditions e.g. ice, severe coldness, lightning, storms and torrential rain.
- A shaded area is provided in warmer weather.
- Children are supervised at all times when outside.
- A paediatric first aider is present inside & outside at all times.
